A Look at the Economic Life Of the Church

John Howard Yoder, author of *Politics of Jesus* and *The Original Revolution*, currently teaches theology at the University of Notre Dame and at the Associated Mennonite Biblical Seminaries of Elkhart, Indiana. His graduate studies dealt with the radical wing of the Protestant Reformation in sixteenth century Switzerland, and he has also researched and written in the areas of Christian ethics, pacifism, the renewal and mission of the Church, and the ecumenical movement. Dr. Yoder was guest lecturer in the Protestant Theological faculties of Buenos Aires (1970-71) and Strasbourg (1974-5), as well as being guest scholar at the Ecumenical Institute for Advanced Theological Studies in Jerusalem (1975-76). Other teaching assignments have taken him to Asia, Europe and Africa. Before being called to seminary teaching, he served in missions administration and overseas relief.
